

## Circle Magic Supply List

### Student Supplies bring to class

- Background fabric of light color. Cut into a 12x12 inch square.
- ¼ yard fabric in contrasting color to background. Used for binding, tree trunk and small circle fabric.
- One 10-inch square of fabric in contrasting color to background. Used for large circle.
- 1-yard iron on fusible wash away interfacing. Floriani Stitch N Wash Fusible Water Soluble Tearaway Stabilizer.
- Organza (either synthetic or silk can be used) – an 8-inch square is all that is needed. Used to place on top of small circle at top right of project.
- Batting cut into 14x14 inch square.
- Backing fabric cut into 14x14 inch square to place on the back the project. Basic sewing supplies (pins, extra machine needles, seam ripper, etc.)
- Sewing machine with extension cord.
- Circle Attachment which works with your sewing machine – check with local dealer for compatibility
- Cutting supplies- rotary cutter, mat and ruler(s)
- Scissors, both fabric and for paper
- Water or Heat soluble fabric marker.
- Iron and ironing surface
- Embroidery thread and bobbins – bring contrasting colors to the fabric.
- Swarovski hotfix flatback rhinestones and applicator.

### Optional

- Decorative yarns, beads, ribbons and threads to be couched into circle
  - Note: If bringing these be sure to bring the appropriate foot to accommodate the type of material – for example, if using beads bring the right size beads and beading foot for your machine.
